

A word cloud of biological processes. The words are arranged in a horizontal, slightly overlapping manner. The colors of the words vary, with some in dark blue, some in green, and some in yellow. The font size of the words also varies, with 'organonitrogen compound biosynthetic process' and 'ribosome biogenesis' being the largest.

organonitrogen compound biosynthetic process  
ribosome biogenesis  
negative regulation of gene expression  
cytoplasmic translation  
mRNA metabolic process  
defense response to Gram-negative bacterium  
peptide transport  
ribonucleoprotein complex assembly
